

Surrey Cancer
Research Institute

SEMINAR

4pm on Thursday 29th June 2017

Room B2, the Education Centre, RSCH

Dr Yen-Ching Chang/Laura Allington

University College Hospital, London

“Proton Beam therapy: Current and Future Provision”

Dr Yen-Ching Chang graduated from University College London Medical School in 1990. After completing her general medical training, she undertook her clinical oncology training on the Pan Thames training scheme. Dr Chang was appointed as a Consultant at UCH in 2005. This was a joint appointment with Great Ormond Street Hospital.
